Re: Application/Control Number 10/630,409

Ref: Your letter PTOL-326 dated 01-24-2005

Dear Ms. Nguyen:

As per your letter dated 01/24/2005 and referenced above, please find enclosed with this letter a copy of the patent with revised claims. We elect to go with Claim No. 2 and we have made said revision in the patent on Page 15. Claim No. 1 on Page 15 is a revised form of Claim 2 (in the original).

Page 15 has now two claims as opposed to 3 claims (originally).

Thanking you in advance,

Regards,
